# RBGE Florilegium

The Royal Botanic Garden Edinburgh (RBGE) Florilegium builds on the Garden's existing botanical art collection to create a permanent, visual record of RBGE's botanical and horticultural work. Botanical artists worldwide will be invited to create illustrations of the plants that are grown, collected, studied and named by RBGE staff.

In 2019, a new RBGE Florilegium category, featuring plants growing in the RBGE Glasshouses, has been introduced to the annual BISCOT exhibition of contemporary botanical illustration. The selected works will feature in an exclusive exhibition at the Royal Botanic Garden Edinburgh

## Botanical Images Scotia

BISCOT is an exhibition of contemporary botanical illustration held annually at the Royal Botanic Garden Edinburgh and Gardening Scotland.

This Scottish-based exhibition promotes excellence in botanical painting and illustration. It gives both national and international artists an opportunity to exhibit in Edinburgh and presents new and original botanical work.

BISCOT is competitive and each artist must display a minimum of six pieces of work. Certificates are awarded in Gold, Silver-gilt, Silver and Bronze categories by a jury of artists and botanists.

The exhibition is run by volunteers with the support of both the Royal Caledonian Horticultural Society and the Royal Botanic Garden Edinburgh.

**BISCOT 2019 is at the John Hope Gateway, RBGE, (Entrance via Arboretum Place) from Wednesday 5th to Thursday 20th June 2019. It is open 10am to 5pm daily, closing earlier at 3pm on the 20th of June.**
